February 2007

Watch the Winners at Westminster

Once again our February meeting will center around watching the first group competitions of the Westminster Kennel Club show. We will have a short business meeting, then watch the competition. There will be door prizes for correctly picking the winners.

Again this year, Carole Sorenson has offered her home as Westminster Central. Each member should bring their own beverage, along with an hors d' oeuvres to share. We will get started at 6:00 pm with the meeting & food so that we can hopefully be ready for the 7:00 show time.

Sorenson's address is: 2515 50th Ave SE

Directions: *from the north* - take Hwy 52 S to the Marion Rd exit - turn left - turn right onto Cty 11 (50th Ave), which then curves to the left - continue up the hill (approx. 1.3 miles) - Sorenson's is the first place on the left after Countrywood Dr - they have a long driveway with brick columns at the entrance; if you are coming *from the south*, you would take Hwy 52 N to the Marion Rd exit & turn right - then follow directions as above.

Those coming *from the east* (Eyota, St. Charles, etc) can take Hwy 14 W - turn left at the stoplight at 50th Ave (Cty 11) - go to the top of the hill (approx 1.6 miles) - Sorenson's will be on your right just after the white horse fence - again, they have a long driveway beginning with brick columns.

Due to the hour at which the January meeting adjourned, those present decided to table the program of re-working the display boards. We will plan a get-together on another night to work on the boards. More information to follow.

We need a nominating committee for 2007-2008 Officer & Board positions. If you are interested in serving on the committee, contact Diana Mann.

There will not be a Board Meeting on February 12th.

Letter from the Editor:

As I looked back at the February 2006 newsletter, primarily to get the directions to Sorenson's, I noticed that my letter from the editor talked about the 600-dog kennel that was approved in Morrison County. Now here we are in 2007, worrying about a new MN bill that will supposedly protect those dogs, & others in puppy mills & large breeding facilities - kind of seems like correcting the puppy for something he did 3 days ago.

As I originally read through the bill, I could see how some of these items were probably meant to regulate puppy mills & large scale breeders, so why not - but I also realize that, if passed, it could definitely present problems for those of us who strive to breed responsibly. I agree with an email I received from one of the members, where she stated that rather than just sending emails that point blank oppose the legislation, we should be trying to help our legislators understand the differences & offer valid suggestions they can use.

I hope that each of you will provide at least one suggestion that we can use in a letter from the RMKC, truly making a statement that represents the entire membership.
