RMKC Agility Trials 2009

Photos by Mackenzie Mann

What caliber of dogs came to compete at the 2009 RMKC Agility Trials? One indicator might be that we had the nice “problem” of running out of MACH bars pretty early on Saturday morning & more had to be made.

Thank you to Agility Chair Caroline Baihly & all of the committee members for putting on another successful event. Thank you also to everyone who volunteered to help. It’s not often you see people sitting outside at an agility trial in August bundled up in so much fleece :).

Monthly Meeting Information:

Date: 2nd Monday of each month Time: 7 pm

Location: Good Shepherd Lutheran Church ~ 559 20th St SW, Rochester, MN

Directions from downtown Rochester: South on Broadway to 20th St SW (Kwik Trip on the corner) - turn right (W) - go approximately 5 blocks to top of hill - church is on the right, set back from the street.

(During the months of February, August, & December meetings are typically held "off-site" due to special club events - watch the newsletter for location changes).

RMKC All-Breed shows

With another successful Agility trial behind us, we now immediately turn focus to the All-Breed show & Obedience/Rally Trials.

Set up for the shows will begin on Friday morning, September 11. Anyone who wants to come & help with general set-up duty can report to Graham Arena around 9 or 10 o'clock & we will do our best to put you to work. There will also be some set up continuing in the late afternoon & early evening.

If you are available to help as a ring steward, please contact Julie Prentice (japren@aol.com) ASAP, as she is trying to finalize her working schedule. If you can transport any judges to or from the airport or hotel, please contact me ASAP as well (mann.diana@yahoo.com).

There are always last-minute areas where we can use some help, so if nothing else, feel free to find me during the show on Saturday or Sunday & offer yourself up for duty - if you're lucky I'll have a very special job for you :) Any members who can stick around after Best in Show on Sunday to help with clean up will be greatly appreciated - many hands make quick work & then everyone can get home & enjoy a few minutes of peace & relaxation before Monday comes crashing in.

Thank you to all of the show committee members who have worked so hard on show preparations - I truly appreciate your efforts & support.
